

On 4th and 5th April will be held in Athens, the National Congress for the completion of the project «Install: Innovative Strategy For Raising Awareness of LLL in Greece» under the European Programme for Lifelong Learning.

The theme of the Congress will be «The Lifelong Learning and the crisis: The role of Regions».

The organization of the National Conference - Workshop on the expiry of the Project Install, will mark the evaluation of the program activities. Particular emphasis during this workshop will be given to the results with the rewarding of those who successfully participated in the «quiz» and providing them with the training vouchers.
